CBSE -Capacity Building Programme

Workshop on —GENDER SENSITIVITY

8 TH JUNE 2024

On 8th June 2024, the Central Board of Secondary Education (CBSE) conducted a 'Capacity Building Programme' for teachers at Jaigopal Garodia Rashtrorothana Vidya Kendra in Ram Murthy Nagar, Bengaluru. The event commenced with a traditional Pushparchana and a prayer, setting a respectful tone for the day's proceedings. The benign presence of Smt. Shubra Jain, Principal of Jain Public School, Smt. Revathy Gurumoorthy, leader at Air Force School Jalhalli and Smt. ManjulaVeeranna, Coordinator Training and Development Wing RVK CBSE Schools graced the occasion. Smt. Gayathry from the English Department welcomed the participants, setting the stage for an engaging and informative session.

The programme featured two distinguished speakers: Smt. Shubra Jain, Principal of Jain Public School, and Smt. Revathy Gurumoorthy, leader at Air Force School Jalhalli. The central theme of the session was 'Gender Insensitivity,' aiming to address and mitigate gender biases within educational environments.

Smt. Shubra Jain delivered an insightful presentation on gender, its various types, and features, with a particular emphasis on the LGBTQI community. She explained these concepts in a clear and comprehensible manner, using both individual and group activities to reinforce the information. Her approach aimed to broaden the participants' understanding and foster a more inclusive mindset.

Following this, Smt. Revathy Gurumoorthy led a session focused on gender inequality and the pervasive stereotypes in society. She discussed the detrimental impact of these stereotypes and provided practical strategies for teachers to eliminate them within the classroom setting. Her session emphasized the crucial role educators play in shaping a more equitable and inclusive society

Inaugural Ceremony:

The Teachers' Orientation Program was inaugurated by our esteemed dignitaries, including Shri. Gajanan ji, Managing Committee Member- Rashtrottthana Parishat, Smt. Gowri Senthil Mathaji, Pradhanacharya, Smt. Anette ji, Upa Pradhanacharya and co-ordinators.

Session 1: Motivational talk on Shivaji Maharaj and Ahilyabai Holkar

Resource person: Sri Gajanan Ji

Guruji spoke about the great Maratha leader **Chhatrapati Shivaji Maharaj**, renowned for his bravery and courage. Shivaji Maharaj did not tolerate wrongdoing in his kingdom and consistently upheld just behaviour. His courage and conviction were the foundation upon which he established his rule. Guruji also discussed the contributions of the revered ruler of the Malwa kingdom, **Ahilya Bai Holkar**. She is remembered for her strong sense of justice and compassion. She was best known for being the pioneer, builder and preserver of the Hindu temple across the country. Her role in the reconstruction of the temple is noteworthy.

Session 2: Panchamukhi Shikshana- Concept & Implementation

Resource person: Subject Teachers

Teachers in their respective subject departments conducted demonstration classes based on the 5E lesson plan framework (Engage, explore, explain, elaborate, evaluation) aiming to integrate Panchamukhi Shikshana into their lessons. This approach involved various activities, including PowerPoint presentations, quizzes, and questioning techniques, to enhance the learning experience. Panchamukhi Shikshana, which emphasizes a multifaceted approach to education, was incorporated through these activities to ensure a holistic learning experience.

Session 3: Group 1- Enhancing classroom basic skills with communication

Resource person: Smt. Alka ji

Mataji conducted a session on enhancing fundamental classroom skills through effective communication. She expounded on the significance of communication skills within the classroom and explored various methodologies for their development.

Group2- Effective communication with students, parents & peer

Resource person: Smt. Gowri ji and Smt. Pallavi ji

Mataji emphasized the importance of the art of parenting. Teachers should carefully observe students' behaviour in class and, if necessary, communicate with parents to address any concerns. Children must spend quality time with their parents to foster their overall development. During parent-teacher meetings, teachers should provide detailed and insightful data about the student's performance and behaviour. Teachers should have a constructive and positive dialogue with parents so that no parents leave the meeting feeling disappointed.

Group3- Class observations & how to give feedback

Resource person: Smt. Usha ji

Mataji provided a clear explanation of the definition and significance of Teacher Performance Assessment (TPA) in the educational context using a PowerPoint presentation. She outlined why TPA is important, and its role in enhancing teaching effectiveness and improving student outcomes. Mataji also discussed how and who will be conducting the assessments. She explained the TPA structure, focusing on:

1. Performance Standard
2. Specific Standard
3. Performance/ Descriptive Indicators.

Additionally, Mataji covered the criteria for evaluating teachers' performance, emphasizing how TPA helps assess teaching practices to achieve better educational results.

Session 4:

Group1-Technology integration -Digital teaching aids (Basic) hands-on

Resource person: Smt. Kavitha ji & Smt. Divya ji

"New technology is common, new thinking is rare." The session began with an introduction to HTML, covering basic tags and elements. It concluded with the application of Panchmukhi Shikshana through programming. Students can create websites that promote a holistic approach to life using HTML. Overall, it was a fruitful and educational session for the upcoming year.

Group 2-Technology Integration-AI (Advanced)

Resource person: Ramesh Senthil ji

Guruji discussed the significance of major advancements in AI, highlighting the power and ease of using generative AI, such as ChatGPT. He explained how ChatGPT can be effectively utilized in everyday life. Additionally, Guruji introduced the concept of prompt engineering, which involves designing and refining prompts to enhance the performance of AI models, particularly in Natural Language Processing (NLP). He emphasized the importance of clarity and specificity in prompts, and the need to provide context to help AI understand the request more accurately. Guruji suggested that integrating AI into the curriculum could greatly enrich the learning experience for students, ultimately leading to improved performance and outcomes.

Day 2- 27th July, 2024

Session 5: Group1 & 3- Swastha Susthira Samaja
Nirmana

Resource person: Sri Maheshwariah ji

Guruji briefly explained the vision and mission statements of Rashtrottthana and also projects of Rashtrottthana

1st March 2025 Saturday

“Empowering learners through active engagement”.

The Faculty Development Programme at Jaigopal Garodia Rashtrottthana Vidya Kendra, located in Ramamurthy Nagar, Bengaluru, took place on Saturday, March 1st, 2025 in the meeting hall. The primary focus of the programme was ‘Best Teaching Practices’.

Teaching practices in early education encompass a broad range of techniques and strategies used by educators to foster learning, development and wellbeing among young children.

Teaching is a planned process based on standards of professional practice which incorporate principles of pedagogy, social responsibility, ethical practice, and collaborative relationships. Teachers should set clear expectations and communicate high standards, rules and consequences
